## WHY THE MEDICAL SPECIALIST OFTEN FAILS.

There are two great fundamental systems which make up the human body. The nervous system and the muscular system, each having its distinct functions to perform, yet both must work in perfect unison to insure health and happiness. Medical treatment is more beneficial in diseases of the muscular system, while electrical treatment is more beneficial in diseases of the nervous system. There are very few diseases which cannot be cured by either one or the other. The medical specialist often fails because he does not understand the true nature of the muscular system or vice versa, and becomes too particular in his name, thus losing electrical treatment, as administered by the able specialists of this institute, will immediately cure diseases which cannot be cured or even benefited by the medical specialist or electrical treatment alone. If you cannot see the advantages in this treatment, why not call in our specialists?

### VETERAN SOLDIER AT REST.

Imposing Funeral of Field Marshal Sir Donald Stewart.

London, April 14.—The funeral of Field Marshal Sir Donald Martin Stewart, who died at Algers March 25 last, in his seventy-seventh year, took place in the historic chapel of Chelsea Hospital this afternoon.

It was conducted with the fullest military honors and in the presence of a representative of Queen Victoria, who placed on the coffin a wreath bearing an auto-graph inscription expressive of her Majesty's high regard for the distinguished veteran.

The Prince of Wales was also represented, while the Commander-in-Chief of the army, Lord Wolseley, and the whole general staff, besides a host of high naval and military officials, were present. The march to Brompton Cemetery furnished a grand military spectacle and was witnessed by thousands of persons.

### LANDSLIDE FOR MORGAN.

Alabama Senator Carried Forty Counties to Johnston's Five.

Birmingham, Ala., April 14.—Reports from all parts of the State indicate a landslide for United States Senator Morgan for re-election, as a result of the Democratic primaries to-day.

Governor Johnston, who has waged a vigorous and aggressive fight against Senator Morgan, carried but one county as a result of to-day's voting, which, added to the counties previously instructed for him, gives the Governor five counties, with a total vote of eighty-three in the Legislature, while Morgan has returns to the United States Senate.

The result in this Jefferson, the leading town of the State, and the home of the Governor, was entirely unexpected to 1 to 10 Morgan. Johnston's family precision went against him by a vote of 29 to 10.

Samuel F. Peeler appears to have won the race for Governor, and has thirty-three counties to his credit to-night, according to incomplete returns, giving him 129 delegates in the State Convention.

### BOND TAX CASE APPEALED.

Supreme Court to Pass on Judge Adams's Decision.

Chicago, April 14.—The United States Supreme Court will be asked in a few weeks to pass upon a question over which two Federal judges disagree with a third of equal jurisdiction.

The dispute is over the constitutionality of the section of the war revenue act which makes it a statekeeper to state bonds which the state gives to the state and the city when taking out a license. Judge Kohlsaat, of the United States District Court to-day held that the section is unconstitutional. It is in conflict with a prior decision by Judge Seaman and opposed to a decision by Judge Adams of St. Louis.

Until the case is finally disposed of the Internal Revenue Department will hold to the decisions of Judges Kohlsaat and Seaman, and will continue prosecutions for violation of the statute.

### ONE DEAD, THE OTHER MAD.

Two Toledo Sisters Assailed by Tramp Robbers.

Toledo, O., April 15.—Shortly before midnight two tramps with handkerchiefs tied over their faces, burst into the room of two sisters, Kate and Johanna Sullivan, living four miles west of West Toledo, knocked at the door, and as Johanna opened the door one of the men struck her across the head with a club, knocking her down.

Kate sprang to the assistance of her sister, when a second tramp fell her with an axe blow. The women were then bound and gagged and the bandits robbed them.

Johanna died in short time, and Kate is a raving maniac as the result of her injuries. The tramps escaped with \$300 in money.

English Folk Lore.

When a cat coughs in the house, it is a sign of sickness in the family; it's a sign at the house-folks "he's havin' colds"; but when colds is at the bottom of all sickness."

Keep off the Colds and you keep off sickness; the use of "Seventy-seven" will do this; it restores the checked circulation indicated by a chail or shiver, starts the blood coursing through the veins and so breaks up the Cold.

## LIBERTY SPECIAL.

New York, April 14.—The racing season on the tracks of the metropolitan circuit will open on Monday. The main race will be the sprint track of the Queen's County Jockey Club at Aqueduct. The first race will be called at 2 o'clock, and if the weather should prove fair, a good crowd of spectators is assured. The sport-loving people of New York are hungry for a day with the thoroughbreds. There has been no racing throughout since last election day. It is a far cry from November 1 to April, and the resumption of the sport will be hailed with delight by thousands.

P. Tomlinson's The Computer was made a red-hot favorite at 4 to 5, while F. W. Brode and the Calm entry, Thrive and Glen Lida, were next in demand at 6 to 7 and 8 to 9, respectively. Thrive made the pace and the last sixteenth pole was contested, where F. W. Brode came away and won easily by a length. The next heat The Conqueror's turn for the place. On account of F. W. Brode's easy win to-day, J. F. Schorr decided to start him in the Tennessee Derby on Monday next.

Thrive's stable feature was the tenth event, the Tennessee Breeding Company's selling stake at seven furlongs, for which some of the fastest sprinters on the track were entered. The first race was won by the straightaway, while Bell of Memphis, Cambrion and The Pride at sixes, Triaditza, at 6 to 1, went begging, while long odds were to be had against the others. Belle of Memphis, our own, had a pair of odds to beat the straightaway, the latter being hardly by half a length. The Pride, Bell of Memphis, a length for the place. Streamer was unfortunate at the start, breaking last.

The first race at long odds galloped home in the first race at six furlongs, while Thrive, the favorite in the second event, for 2-year-olds, at a half mile, won handily from Golden Harvest, High Hinks, The Favorite away with the fifth race at a mile, and the eighth race, a dash of six furlongs, was won by a length from Maggie Davis. The Tennessee Derby at a mile and an eighth will be run Monday. Eight horses are entered to start.
